Social Work Assistance

A variety of social services are available to meet the needs of those requesting services or information. Among the services that are offered are case management, information and referral, and home visit assessments.

Through our many services, groups and activities, we strive to be the all-inclusive conduit for the senior adults in our community.

Our Social Worker is also available to make home visits upon request. To make an appointment to see a social worker, contact Richmond County Aging Services at 910-997-8439 or 910-997-4491 or check yes below and our Social Worker will contact you.
